Japanese IV

Japanese IV is an elective course that furthers the communication skills acquired in Japanese III, with the aim of language proficiency. Japanese IV includes extensive oral expression. Authentic audio and video recordings as well as native Japanese speakers are accessed to improve comprehension and conversation. Reading selections from authentic materials and selected Japanese literature are read for comprehension. Discussion, debate, projects, compositions, and other directed writings demonstrate understanding of the culture and the complexities of the language and vocabulary. The majority of the course is conducted in Japanese. The course is defined by the content standards of the Arkansas Foreign Language Curriculum Framework for Japanese IV and includes applications, problem solving, higher-order thinking skills, and performance-based, open-ended assessments with rubrics. Japanese III is a prerequisite for this course. Arkansas Department of Education approval is not required.
